Launched

by

Dr. Manmohan Singh
Hon'ble Prime Minister of India

At Dudu, Rajasthan
On 20th October, 2012

“ We want to create a system in which money from Government Schemes – pension for old people, scholarship for students and wages for labourers – can be credited into people's accounts. This would reduce inconvenience to the beneficiaries, make it easy for them to receive payment and increase transparency. For this work, we will take help from the Aadhaar scheme under which about 20 crore people have been registered so far.”

**Prime Ministers's Independence
Day Speech – August 15th 2012**

**Vakrangee is proud to be associated in this novel
