

Beijing: China's government on Friday confirmed it is offering Sri Lanka a two-year moratorium on loan repayments as the Indian Ocean island nation struggles to restructure \$51 bn in foreign debt that pushed it into a

financial crisis. China lent the money to Sri Lanka as part of Beijing's multibillion-dollar Belt and Road Initiative to increase trade by building ports and establishing other infrastructure across Asia and Africa.

Blinken puts off China trip over 'spy' balloon

Beijing claims weather satellite went off course

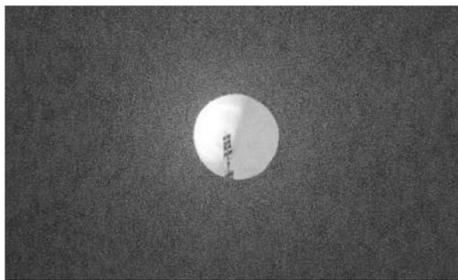

AP / Beijing

Secretary of State Antony Blinken has postponed a planned high-stakes week-end diplomatic trip to China as the Biden administration weighs a broader response to the discovery of a high-altitude Chinese balloon flying over sensitive sites in the western United States, a U.S. official said on Friday.

The abrupt decision comes despite China's claim that the balloon was a weather research satellite that had blown off course. The U.S. has described it as a surveillance satellite.

The decision came just hours before Blinken had been due to depart Washington for Beijing and marked a new blow to already strained US-Chinese relations. Officials said Blinken and President Joe Biden determined it was best not to proceed with the trip at this time.

Pentagon spokesman Brig. Gen. Patrick Ryder said the US government has been tracking the balloon for several days as it made its way over the northern United States and flying over sensitive installations.

This photo released on Thursday shows a suspected Chinese balloon in the sky over Montana in US

He told reporters on Thursday that the balloon was "travelling at an altitude well above commercial air traffic and does not present a military or physical threat to people on the ground."

"NORAD (North American Aerospace Defense Command) continues to track and monitor it closely," he said, adding the balloon was spotted over Montana on Thursday and is "said to be the size of three buses".

Montana, a sparsely populated state, is home to one of only three nuclear missile silo fields in the US, at Malmstrom Air Force Base.

"Once the balloon was detected, the US government acted immediately to protect against the collection of sensitive information," Ryder said.

Reacting to the Pentagon's report, a Chinese Foreign Ministry spokesperson confirmed that the balloon was a Chinese "civilian airship" which had deviated from its planned route.

"The airship is from China. It is a civilian airship used for research, mainly meteorological purposes," the spokesperson said in a post on the Chinese foreign ministry's website.

European Council President Charles Michel, Ukrainian President Volodymyr Zelensky (C) and EU Commission President Ursula von der Leyen (R) pose during an EU-Ukraine summit in Kyiv

Top EU officials meet Zelensky in Kyiv

PTI / Kyiv

Top European Union officials met on Friday in Kyiv with Ukrainian President Volodymyr Zelensky in a show of support for the country as it battles to counter Russia's invasion and strives to join the EU as well as NATO.

European Commission President Ursula von der Leyen and European Council President Charles Michel, as well as 15 European commissioners, travelled to the

Ukrainian capital for what they described as a summit meeting.

The last such summit was held in Kyiv in October 2021 — a few months before the war started. The highly symbolic visit is also the first EU political mission of its kind to a country at war.

"There will be no let-up in our resolve," Michel said in a tweet on his apparent arrival in Kyiv. "We will also support (Ukraine) every step of the way on your journey to the EU."

Pak PM says IMF giving the country a tough time

IANS / Karachi

The Pakistani rupee on Friday plunged to a historic low against the US dollar after Prime Minister Shehbaz Sharif said that the International Monetary Fund (IMF) is giving Pakistan "a tough time" — as the lender wants the government to do more on the economic front, local media reported.

"As we speak, an IMF delegation is in Islamabad [holding parleys on loan programme] and giving a very tough time to the finance minister and his team," the Prime Minister said while speaking at the apex committee meeting in Peshawar, as he termed the economic challenges "unimaginable", Geo News reported.

Following the PM's remarks, the local currency depreciated further against the greenback in the inter-bank market, the report said. During intra-day trade, the Pak rupee was trading at 279 against the dollar.

British Sikh admits to treason over threat to Queen

PTI / London

A British Sikh man who wanted to "assassinate" Queen Elizabeth II on Christmas Day in 2021 and was caught on the grounds of Windsor Castle armed with a crossbow has admitted to committing treason on Friday.

Jaswant Singh Chail, who

identified himself as an "Indian Sikh", wanted to kill the late monarch as revenge for the 1919 Jallianwala Bagh massacre in Amritsar in a social media video that emerged soon after his arrest.

He admitted to an offence under the United Kingdom's Treason Act at the Old Bailey court in London.
