

## VAKRANGEE ACHIEVES 100% GREEN CONSUMER CERTIFICATION THROUGH TATA POWER

- Company has received Green Consumer certification as well as Memento from Tata power for availing 100% Green power
- Company re-affirms its commitment towards sustainability and being an environmentally responsible Corporate citizen

**Mumbai, August 18, 2021:** Vakrangee Limited is now a Certified Green consumer through Tata Power for availing 100% Green energy w.e.f 1st July. Company has received its first 'Green Bill' for consumption of 100 percent 'Green Power', thereby committed towards the cause of sustainability and is keen to reduce its carbon footprint. Vakrangee has always been a Responsible and Socially Conscious Company. The Company's Business strategy has been mapped with the sustainability initiatives along with the United Nation's Sustainable Development Goals.

Vakrangee has re-affirmed its commitment towards sustainability by opting for 'Green Power' at its Corporate Headquarters based in Mumbai, whereby the Company would be paying 'Green tariff' as approved by the honorable Maharashtra Electricity Regulatory Commission (MERC).

Vakrangee in its commitment towards sustainability has consistently focused on providing its customer base with unique and essential products and services in the most Environment Friendly manner. The Company continues to be an environmentally responsible organization making continuous improvements in managing the impact that its operations have on the environment. Vakrangee Limited has also been accepted as a Signatory of the United Nations Global Compact. We are now part of a global network that is committed to building a sustainable future.

Commenting on this Initiative, **Mr. Dinesh Nandwana, Managing Director & Group CEO, Vakrangee Ltd.** said, *"Vakrangee is committed to preserving the planet. To this end, we consistently take efforts to reduce our environmental footprint, produce and consume responsibly and contribute towards the overall development of the ecosystem. We will achieve this through integrated environment management approach which focuses on people, technology and facilities, supported by the management commitment as the prime driver.*

*At Vakrangee, We have also integrated our Business strategy and mapped our sustainability initiatives with the United Nation's Sustainable Development Goals. The goals are a blueprint to achieve a better tomorrow. "*

Nextgen Vakrangee Kendras exclusively offer a comprehensive range of products and services across banking, insurance, ATM, Assisted e-Commerce, e-Governance and logistics.
