Mumbai, April 16, 2020: Vakrangee feels proud to share that during a lockdown situation due to Covid-19 Pandemic, we have successfully launched the mobile van in MMR region which is fully equipped to provide the key Essential services to the citizens. Mobile Van facility will operate between 10.00 am to 8.00 pm daily including Sunday and will also maintain complete safety protocols, proper hygiene and social distancing while queuing for the services. This service would eliminate the need to travel for the citizens for key essential services such as ATM, Business Correspondent (BC) Banking, Tele Medicine, and Online Pharmacy & Mobile Recharges. Citizens would be able to get these services at their doorsteps. The Company plans to extend these services across India shortly.

In the light of the outbreak of Covid-19 pandemic, under the Epidemic Diseases Act, 1987 that was invoked by the Government, all Non-Essential service providers / officers need to follow restraint and remain closed. However, Establishments providing Essential services are excluded such as providers of services such as Banking and ATM, drinking water & sewerage, Food & Groceries, Hospitals, Medical stores and centres, telephone and internet services.

Vakrangee Kendra outlets are one stop shops providing key Essential services such as -

- Business Correspondent (BC) Banking Services
- ATM Services
- Online Pharmacy
- Telemedicine health services – Including Unlimited Tele & Video Consultation with expert doctors & Home Blood test facility
- Online shopping of Groceries

Overall more than 10,000 Kendras are operational across India to provide the key essential services and thus serving the Nation. Vakrangee's entire team including franchisees are fully committed to fulfil their duties and responsibilities and help the citizens to avail these essential services. At the same time, health of our franchisees and customers is important to us and all our Vakrangee Kendras are maintaining complete safety protocols and also maintaining proper hygiene at the outlets.

Commenting on this initiative, **Mr Dinesh Nandwana, Managing Director & Group CEO, Vakrangee Ltd.** said, *"We are proud to share that during such a crucial crisis situation of Covid-19 Pandemic and also in the*

situation of Lockdown in the country, we are able to introduce the mobile van facility and we are helping everyone to get access to essential services at their doorstep.

We are committed towards our duty and responsibility to make sure that key services are available to the citizens. We believe at this moment of crises, it is our duty to help people and make these essential services available at the citizens to make their lives easier.”

Vakrangee currently has 23,000+ (10,000+ Operational & 13,000+ under on-boarding process) which are spread across 30 States & UTs, 500+ districts and 6,150+ postal codes. More than 70% of these outlets are in Tier 5 and 6 towns. Vakrangee's planned target is to reach at least 25,000 Nextgen Vakrangee Kendras by 2020 and further enhance it to reach 3,00,000 Nextgen outlets by FY 2024-25.
